THE LEADING PERIODICAL IN AMERICA.

EDITED BY SARAH J. HALE, GRACE GREENWOOD AND L. A. GODEY.

EDITED BY SARAHJ, HALE, GRACE GREENWOOD.
AND L. A. GODEY.

A Novelette by MISS LESLIE, who contributes to every No.
N. P. WILLIS' Original Scriptural Poetry.
T. S. ARTHUR, who contributes to every No., Illustrative of "Arthurs' Sketches of American Character. Designs by Croome.

We intend merely to give a notice of our intentions for next year, leaving to others long advertisements, "full of sound and fury, signifying nothing."
Agreeably to the practice of last year, the publisher will issue as good a number each month as he does in January. This is a novel feature in Magazine publishing. During the whole of last year he gave more engravings and more reading natter than any of his contemporaries, and will continue to do so next year. Those who subscribe to GODEY'S LADY'S BOOK, may do so under the assurance that they will receive more for their money in the Magazine alone, than by subscribing to any other work. To this is added and included in the same \$3, the LADY'S BOLLAR NEWSPAPER, which contains in one month nearly, if not gibe, as much reading maner of reading of two Magazines month Thems. Am Feducation and the reading maner of the content of the publisher of the laddes that no other Magazine posses. There is a Mezzoint and fine Engraving it each number—both by the best artists. In addition to these, there are given monthly what no other Magazine gives—a Colored Fashlon Plate, with a full description. This feature is peculiar to Godey, as no other work has them every month, and colored. Then there are Caps, Ronnets, Chemisettes, Equestrianism for Ladies, with engravings, existing, acting, crotchet, and all other kinds of work. Patterns for Smoking Caps, Chair Covers, Window Curtains, D'Oyleys, Purses, Bags, &c., &c. Health and Geaty, with engravings, Model Cottages, with ground plans, and other engravings, always flustrative of somothing usoids. Much estants in Godey, and to the found in no other Magazine. These were all given last year, and will the continued. In addition, we shall have, in every No., one

CLOTHIERS AND DEALERS

"ARTHUR'S SKETCHES OF AMERICAN CHARACTERISTICS,"

a most amusing series, now first given to the Am-ican public. These will be illustrated in every nu-ber by a sketch from the pencil of Croome. "THE CHANGES OF FASHION," Illustrated by Fay Robinson, Esq. This series will be very interesting to the ladies.

"THE APPLICABILITY OF THE FINE ARTS TO DOMESTIC USES," is another series of engravings now in preparation will be published during the year.

COTTAGE FURNITURE. Having given so many Model Cottages, we in tend now to commence the Publication of Cottag Purniture—a very necessary appendage to a co-tage.

RELIGION AND HISTORY. Our Superior artists, Walters, Tucker, Pense, ar Welch, are now engaged upon a set of plates illu-trative of these two subjects. OUR MUSIC,
prepared expressly for us—most original, and besilfully printed, has long demanded a decided prefence over that of any other Magazine. It is a feture in The Book.

THE LITERARY CHARACTER OF GODEY'S LADY with such writers as Miss Leslie, Grace Greenwood, W. G. Simms, Mrs. Ellet, T. S. Arthur, Mrs. E. Oakes Smith, Mrs. J. C. Neale, H. T. Tuckerman, H. W. Herbert, &c., the author of the Widow Hedout, Professor Frost, Bryant, Longfellow, Holmes—and a host of others—must always take the lead in literary merit.

TERMS:
